

Stone Federation CPD Podcasts

First in the series: The Natural Stone extraction process

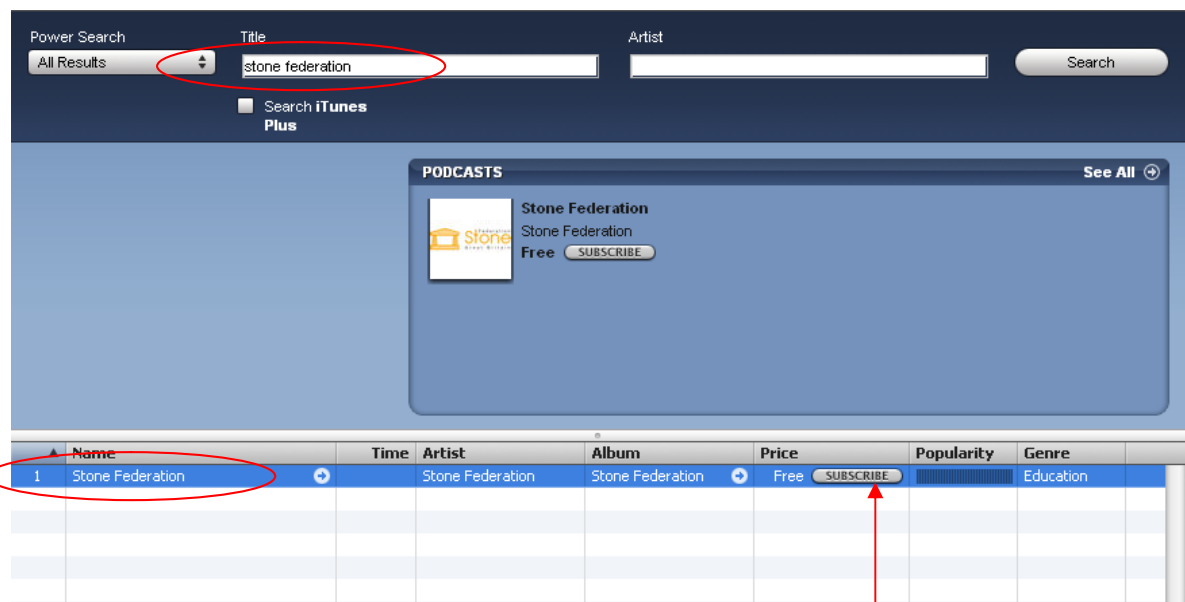

The Stone Federation podcast is now available to download, free of charge, on iTunes. Here's how to subscribe:

1. Launch iTunes, or if you do not have iTunes, download the latest version free from www.apple.com/itunes/download
2. In the left hand column of iTunes, click on iTunes store.

3. The quickest method to find a specific podcast, for example Stone Federation, is to click on "Power Search" in the Quick Links box.

4. Enter "Stone Federation" under title and it should bring up the Stone Federation podcast as the only option.

4. Once the correct Podcast has appeared, click on "Subscribe".
5. After a few seconds, iTunes will begin to download the latest episode for the podcast you subscribed to.

Note: New episodes will be downloaded automatically, if available, next time you use iTunes.
